

Tell us about your care

2020 NHS Maternity Survey

This trust will soon be carrying out a survey to find out what women who have recently given birth think about their experiences of antenatal care, childbirth and postnatal care. This is part of a national programme to improve patients' experiences of maternity care.

Your feedback is important to us

- Taking part in the survey is voluntary and all answers are confidential.
- If you are selected to take part, your contact details (name and postal address) will be used by researchers to carry out the survey.

If you **do not** want to take part, or have any questions about the survey please contact:
